

Lab - Your first API Product

Wherein ...

- We create our first API Product,
- Which we will use to provide initial access control

Create a Developer, Product, and App

Menu under "Publish"

- Add yourself as a developer
 - ("Developers | [+ Developer]")
- Build your first Product
 - ("Product | [+ Product]")
- Add your first App
 - ("Developer App | [+ Developer App]")

Publish developers, products, apps

Engage developers with rapid publishing tools for your API program.
