

Lab - Setup Edge

Lab 01 - Getting Setup

Steps

- Using a web browser Navigate to <https://login.apigee.com/login>
- If you have an apigee account, login
- If you do not have an apigee account, select “sign up”
 - Fill out form and select create account
 - Activate Account by selecting link in email
 - Could take 5 – 10 minutes
- Under API Management select the “launch” or “activate” button
- Welcome to Edge!!

THANK YOU
